

RESOLUTION ON THE DEFINITION OF SCHOLARSHIP  
(#04-92/93-EP)

- WHEREAS, The WASC Accreditation Report suggests that Humboldt State University clarify its definition of scholarship (excerpt attached); and
- WHEREAS, The definition of scholarship is of great importance in policies affecting recruitment, tenure, and promotion; and
- WHEREAS, The document on the Definition of Scholarship contains a definition of scholarship which is too restrictive; therefore, be it
- RESOLVED: That the Academic Senate of Humboldt State University commends the Ad Hoc Committee on Scholarship for its efforts; and be it further
- RESOLVED: That the Academic Senate of Humboldt State University recommends that a faculty Task Force to define scholarship be created along the lines suggested in the attached memorandum from the Dean of Graduate Studies and Research; and be it further
- RESOLVED: That the Academic Senate of Humboldt State University recommends this Task Force separate the issue of defining scholarship from its evaluation and use in the RTP process; and be it further
- RESOLVED: That the Academic Senate of Humboldt State University recommends that this Task Force broaden the definition of scholarship so that it includes activities which are able to be communicated to students or peers; and be it further
- RESOLVED: That the Academic Senate of Humboldt State University recommends that this Task Force bring the new definition of scholarship back to the Senate for its consideration.
