

**RESOLUTION REGARDING CR/NC GRADING
FOR UNDERGRADUATE COURSES FOR LEVEL 5 STUDENTS
(#09-01/02-SA)**

WHEREAS, Current Humboldt State University practice places master's degree students, unclassified post-baccalaureate students, second bachelor's degree students, teaching credential students, and Over-60 Program students in Level 5, referred to as "graduate" students;

WHEREAS, The current CR/NC policy applies a higher standard for students in the "graduate" category taking undergraduate courses; and

WHEREAS, Students who are not seeking graduate degrees or teaching credentials and who are taking undergraduate courses should not be subjected to the higher CR/NC standard; therefore, be it

RESOLVED: That the Academic Senate of Humboldt State University recommend a change in the CR/NC policy for undergraduate courses so that only classified master's degree students and teaching credential students be subjected to the higher CR/NC standard wherein grades of B- and higher are the only grades to receive credit; and be it further

RESOLVED: That the Academic Senate of Humboldt State University recommend that the students in the categories currently considered to be graduate, namely: unclassified post-baccalaureate students, second bachelor's degree students, and Over-60 Program Students, when taking undergraduate courses for CR/NC, be subjected to the undergraduate standard wherein grades of C- and higher are the only grades to receive credit; and be it further

RESOLVED: That the Academic Senate of Humboldt State University recommend that implementation of this policy regarding CR/NC grading for undergraduate courses for Level 5 students occur at the beginning of the next term practicable.
