

**RESOLUTION FOR INSTITUTING EARLY REGISTRATION FOR STUDENTS
ENGAGED IN OFFICIALLY RECOGNIZED UNIVERSITY ACTIVITIES**

Whereas, It is the goal of Humboldt State University to foster an environment that strives to maintain the highest standards of academic achievement; and

Whereas, On occasion, student travel is required for official course requirements or University business that equals or exceeds 20% of their total on-campus time in a semester; and

Whereas, Such significant required travel often leads to conflict and hardship with other course offerings, missed classes or the inability to fully participate in their officially recognized University activity; and

Whereas, Those classes could avoid being missed if students, engaged in officially recognized University activities, were able to choose with certainty other options for the same course, allowing for better coordination with required obligations and travel time; therefore be it

Resolved, That the Academic Senate of Humboldt State University endorses early registration being offered to students meeting the above criteria, making it available to all students whose time away from campus for officially recognized University activities equals or exceeds 20% of their total on-campus time for a semester; and be it further resolved

Resolved, That the Registrar will assist in establishing procedures to facilitate this early registration, to be implemented in the earliest term possible.
