

**Resolution on Procedure for Proposing a New Degree Program  
(#18-00/01-EP)**

WHEREAS, The curriculum is the responsibility of the faculty; and

WHEREAS, The faculty is the body initiating new degree programs; and

WHEREAS, Faculty who are interested should be encouraged to pursue new programs; and

WHEREAS, The process of proposing a new degree program involves extensive campus collaboration and review, and eventually review and justification at the Chancellor's level; and

WHEREAS, There is currently no documented procedure faculty should follow if they wish to propose a new program; therefore, be it

RESOLVED: That the Academic Senate of Humboldt State University recommend approval of the revised Procedure for Proposing a New Degree Program [Attachment A].
