Updating the Membership and Terms of the Appointments and Elections Committee

21-20/21-CBC – March 30, 2021 –Second Reading

RESOLVED: That the University Senate of Humboldt State University recommends the attached amendments to the University Senate Bylaws and General Faculty Constitution to expand and clarify the membership and increase the term lengths and election process for the faculty representatives of the Appointment and Elections Committee to be forwarded for ratification.

RATIONALE: *The Staff Council, Associated Students, and University Senate are collaborating to improve recruitment efforts of new and diverse representatives to governing bodies, and to strengthen monitoring for new University committee appointees. To support this effort, membership of the Appointments and Elections committee is being expanded from two faculty to three, one from each college, and establish ex-officio membership for the Chair of the Governance Committee of the Staff Council and Student Affairs Vice President of the Associated Students. These changes will allow for equitable representation of all colleges and establish consistent communication and recruitment processes between the three governing bodies. In addition, the current members of the Appointment and Elections Committee have indicated that one-year terms for appointed faculty members is too short to get familiarized with the rules governing appointments and elections and that a longer term would allow for more effective service on the Appointments and Elections Committee. Finally, as the primary role of the Appointments and Elections Committee is to recommend appointments for other committees, the faculty representatives being elected the instructional unit they represent and updating the vacancy procedure so the Senate Executive committee recommends candidates for interim seats instead of the Appointments and Elections Committee itself, will preserve shared governance.*
