## University Senate

### Resolution on Amendment to the eLearning Policy

24-19/20-ICC—April 21, 2020—First Reading

**RESOLVED:** That the Humboldt State University Senate recommend to the Provost the attached eLearning Policy be approved; and be it further

**RESOLVED:** That this eLearning Policy replace the current policy #P17-04 *eLearning Quality Assurance Policy*; and be it further

**RESOLVED:** That this revised policy be effective immediately upon approval by the Provost.

**RATIONALE:** HSU's current eLearning policy references units and groups that no longer exist. It outlines contractual obligations, in particular around evaluation of online classes, that are no longer relevant.

The updated policy addresses course development and instruction at HSU in a way that better reflects the status and future of online learning at HSU. It directly aligns with eLearning policies at multiple CSU campuses, connects to HSU values, and includes specific reference to WASC and curriculum control requirements and procedures. Overall, it provides a pathway for the university to move courses to digital modalities at scale, while positioning authority for online course development within the departments, programs, and colleges.
