University Senate

Resolution on New e-Learning Policy

34-21 21/22-ICC – April 26, 2022 - First Reading

RESOLVED: That the University Senate of Cal Poly Humboldt recommends to the President that the attached e-learning policy be approved; and it be further,

RESOLVED: That the attached policy supersede VPAA 20-03 and P17-04 e-Learning Quality Assurance Policy

RATIONALE: The proposed policy includes additional details and clarification of components of the existing e-Learning Quality Assurance Policy. Additional definitions have been included and content has been restructured to improve clarity and differentiate online courses from distance learning programs and the implications of each for the University and WSCUC accreditation. Additionally language has been added to address policies and laws on accessibility and student records.
