

(#35-90/91-Mortazavi)

Resolution on Review of the Industrial Technology,
Range Management & Speech & Hearing Programs
(#35-90/91-Mortazavi)

It was moved and seconded (Mortazavi/Goodman) that the Academic Senate of Humboldt State University recommends to the president that the three programs (Industrial Technology, Range Management, and Speech & Hearing) be put on a one year probation; if at the end of one year they are not found to be resource neutral, they are to be terminated.
