

California Faculty Association's Interruption Statement

As part of our continuing commitment to racial justice work, when we experience examples of racial narratives, racism, or whiteness in our meetings or as we conduct our business, we will speak up.

This means we can interrupt the meeting and draw the issue to one another's attention.

We will do this kindly, with care, and in good faith.

This statement is a reminder that we commit to do this in the service of ending systems of racial oppression, and others as well.
