Update:

The Committee will be reviewing the final draft of the Advising Policy on December 5 with Kathy Thornhill. The policy will then be forwarded to SenEx for referral to Faculty Affairs.

Appointments and Elections Committee:

Submitted by Julie Alderson, AEC Chair

AEC appointed Jenn Tarlton (Lecturer in the Environmental Science and Management Program) to serve as interim-elected Lecturer representative on the Senate for the remainder of the Spring 2019 term. Jenn will serve in Jeff Dunk's place for the spring, while he's out on sabbatical.

General Faculty elections are underway. In addition, AEC will be appointing members to the various non-elected committee vacancies in need of representatives. As we did not receive nominations and self-nominations for all needed positions, an additional call for candidates has been distributed. If you have any suggestions for folks I might recruit, please let me know. I will be reaching out over the next week to find additional faculty willing to serve in these important roles.

Elected Position Openings:

Faculty Affairs Committee:

Submitted by Monty Mola, FAC Chair

Attendees: Renee Bird, Laura Hahn, Abeer Hasan, Cheryl Johnson, Monty Mola, Kirby Moss, Marissa O'neill, Mark Wilson and George Wrenn

Current Work

1. Advising Policy

FAC awaits a draft advising policy from APC.

2. Appendix J

FAC has drafted modifications of several sections of Appendix J to explicitly include language on equity and inclusion . We have also drafted modifications to the Personnel Data Sheet. These documents will be presented at the next SenEx meeting and will hopefully come as a first reading to the next Senate meeting.

3. New Faculty/Staff Housing

FAC will work with other units on campus on ways to help new faculty and staff find housing when they arrive to campus.

Prioritized Future Work

- 1. Advising Policy**
 - 2. Appendix K**
 - 3. Lecturer voting rights within departments**
 - 4. Definition of Faculty Workload (Appendix J)**
 - 5. Early Tenure (Appendix J)**
-

Integrated Curriculum Committee:

Submitted by Julie Alderson, ICC Chair

ICC is bringing forward the revised ILOs for the 29 January meeting. Revisions to the resolution itself, as well as ILOs #1 and #2, come from feedback and input from meetings with Chairs, faculty and the ICC. Work for the spring semester will include a soft rollout of Curriculog, further development of the Program Review process, the development of guidelines for Learning Communities on campus, and possible revisions to the online learning policy.

University Policies Committee:

Submitted by Jen Maguire, UPC Chair

UPC Committee Members: Jen Maguire (Chair), Troy Lescher, John Meyer, Robert Kever, Doug Dawes

1) The UPC wrote a summary about the UC Room Chargeback discussions that took place with University Center representatives over fall 2018 semester. The report was introduced at the 1/22/19 Senate Executive Committee (SenEx) meeting. The item is on the 2/5/2019 SenEx meeting agenda as discussion item.

2) SenEx moved the Alcohol Policy Resolution to the University Senate consent calendar on 1/29/2019.

University Resources and Planning Committee:

Submitted by Mark Rizzardi, URPC Co-Chair

The URPC met on Friday, January 18, 2019 for what was predominantly an informational meeting. The Governor's 2019-20 Budget Proposal released on January 10th is potentially great news for the CSU, allocating \$300M in ongoing new funding, including fully funding employee compensation and mandatory cost increases (\$193M) and earmarking \$45M for Graduation Initiative 2025. However, concerns were reiterated about the strong possibility that the University will have to adapt to a

downsized overall base budget that reflects a significantly smaller university enrollment until recruitment, yield, and retention can impact the current low-enrollment trend. Current trends signal enrollment will decline at least 5% next year, resulting in a decrease of approximately \$3M in expected tuition revenue. While the University had been proactively planning for a further enrollment decline, the updated information indicates there will be an additional budget gap of \$1M in 2019-20. This shortfall is in addition to the \$9M in Phase1/Phase2 reductions currently underway.

On the bright side with respect to current year spending, the three colleges' budgets were on target at the end of last semester, albeit with CNRS and CPS being aided by one-time reduction bridge funding.

The Budget Office demonstrated that it has added tabs in its interactive Questica budget dashboards (<https://hsu.openbook.questica.com/>) that allow exploration of both recurring base and one-time budget investments funded by Graduation Initiative 2025.

Academic Senate CSU (ASCSU):

Submitted by Mary Ann Creadon, ASCSU Representative

At its plenary meetings on January 17-18, the ASCSU adopted a number of resolutions on second reading. They are available at the link:

<https://www.calstate.edu/acadsen/Records/Resolutions/2018-2019/index.shtml>

The relevant resolutions are those approved in January. We would point out in particular the resolutions regarding the "Adoption of 'Tenets of System Level Governance in the California State University,'" the resolution "Encouraging Responsible Curriculum Development and Modification under the Higher Education Employer-Employee Relations Act (HEERA)," and the resolution regarding "Increased Funding for the Electronic Core Collection (ECC)."

In addition, please review the plenary report provided by Profs. Tarjan and Millar provided to you along with this written report.

Report from ASCSU January 17-18, 2019

John Tarjan and Janet Millar

- 1. Chair Nelson** provided us with a brief oral report after distributing a more comprehensive report. Chair Nelson's current and past chair reports can be found at http://www.calstate.edu/AcadSen/Records/Chairs_Reports/
- 2. Excerpts from Other Reports**
 - **Academic Affairs** discussed the following topics.
 - Campus Academic Master Plans and State Workforce Needs
 - Doctorate in Occupational Therapy

- Graduation Initiative 2025
- Faculty Intellectual Property and Course Hero's Use of Faculty Materials
- Cal Grant B Awards
- GE Task Force Preliminary Report
- Their Pending Resolutions (see below)
- **Academic Preparation and Education Programs** discussed the following topics.
 - Update on the WestEd study looking at implementation of EO 1110, including classification categories for courses developed for students and very preliminary results—the results seem promising in terms of student pass rates and earning of baccalaureate credits.
 - Associate Degrees for Transfer Report (see BOT Educational Policies Agenda for the full report)
 - Composition and Appointment of Faculty Discipline Review Groups (C-ID Project)
 - Early Start Programs in Light of EO 1110 Changes to Student Preparation
 - Facilitating Consultation with Campus Discipline Faculty on Curricular Matters
 - Their Pending Resolutions (see below)
- **Faculty Affairs** discussed the following topics.
 - State Budget Allocation to the Public University Systems to Support Unconscious Bias Training (allocation controlled by UC)
 - Allocation of \$25m for Tenure-track Hiring
 - Evaluation of Online Teaching
 - CSU, Fresno's "Principles of Community"
 - Scanning of Faculty Computers for "Sensitive Materials." This has been rolled out on 4 campuses already (including Bakersfield), looking for things like SSNs, student contact information, etc.
 - Use of Grade Distributions in RTP
 - Course Hero (posting of course materials without permission)
 - Requests for Instructor/Grade Information
 - Status and Rights of Non-T/TT faculty
 - Presidential Searches
 - Their Pending Resolutions (see below)
- **Fiscal and Governmental Affairs** discussed the following topics.
 - Funding for the Electronic Core Collection
 - Support of the Governor's Budget
 - Completion and Attrition
 - Per-unit Tuition vs. Tiered Rates
 - Examination of Campus Budget Practices
 - Cal Grant B Program
 - Relative Roles of State Support and Tuition in Funding Higher Education
 - Completion of the Directory of ASCSU Legislative District Representatives, Including Representatives of the Areas Served by Satellite Campuses
- **Faculty Trustee Recommending Committee**
 - Has met and reviewed the candidates nominated by the campuses.
 - A link to the nominations of those being forwarded for ASCSU consideration will be distributed shortly.
 - The following individuals were forwarded to ASCSU for consideration for recommendation to the Governor. At least 2 names need to be sent to the Governor for appointment consideration.

- Romey Sabalius (San José)
 - Beth Steffel (San Bernardino)
 - John Tarjan (Bakersfield)
 - **GE Advisory Committee** discussed the following issues.
 - Report from the GE Task Force
 - Review of campus GE Maps (just under half of the campuses have submitted)
 - Relevant ASCCC resolutions
 - Standardization of GE Across the System as a Result of EO 1100(rev.) Implementation— Upper-Division Reciprocity, Interpretation of the EO, Flexibility within Areas, etc.
 - **GE Task Force**
 - Will have a report by the end of the academic year.
 - Are vetting a conceptual model of student learning outcomes for general education.
 - Are anxious to soon send out a preliminary report to get feedback. The conceptual model was reviewed by GEAC and AAC this week. Both committees provided useful feedback.
3. In response to questions regarding EO 1110 implementation results, **AVC James Minor** share a slide that detailed some preliminary results from the WestEd study. AVC Minor noted that these results are “very, very, very preliminary.” A MUCH higher percentage of students passed a GE math course with a grade of C- or better in the fall of 2018 than in the fall of 2017, (Tarjan Note: student subject mastery is not a part of these assessment efforts They focus on pass rates and campus strategies for addressing EO 1110.) Adjustments may need to be made to the Early Start programs in response to the policy changes contained in EO 1110.
4. **Faculty Trustee Sabalius** happily reported a healthy Governor’s budget recommendation for the CSU. We do not anticipate any tuition increases this year as a result. We were treated very fairly relative to the other segments of higher education. The Board has a strategy of asking for one-time funds for programs like those meeting student basic needs, first demonstrating success in using those funds, and then asking for continuing funds when success is demonstrated. Some feel we might be bolder in asking for permanent funding for programs up front. We anticipate lobbying efforts will focus on increased funding for enrollment growth. We have not received an increase in capital debt service funding, likely because of the proposed state bond issue that would be targeted to support new construction in the UC and CSU. Faculty Trustee written reports can be found at http://www.calstate.edu/AcadSen/Records/Faculty_Trustee/index.shtml
4. We passed the following resolutions upon second reading. Copies of these and other resolutions can be found at <http://www.calstate.edu/AcadSen/Records/Resolutions/>.
- a. **Adoption of “Tenets of System Level Governance in the California State University”** is self-explanatory. This document was vetted by the campuses and much feedback was received. The resolution was discussed at length in the ASCSU over past few months and several changes were made to perfect the resolution.
 - b. **A Call for the Inclusion of Tuition in the Cal Grant B Award Program for Freshman Students in the CSU** This program currently does not provide funds to low-income freshmen to cover tuition.
 - c. **Increased Funding for the Electronic Core Collection (ECC)** Not only is this collection used by all 23 campuses, but this approach to acquisitions continues to save our campuses significant

resources every year. The system allocation for this collection has not been increased in almost 10 years, despite rising costs.

- d. **Closing the Achievement Gap and Increasing College Completer Outcomes and Success for All CSU Students** supports this goal, commends the CSU's commitment to achieving this goal, applauds the GI 2025 initiative for its commitment to the goal, commends the CSU Institute for Teaching & Learning for its support in reaching this goal, lists factors affecting equity, and asks that additional analyses be conducted to look at equity in other outcomes such as major selection and employment experiences after graduation. It also requests that student success data continue to be disaggregated demographically.
 - e. **Encouraging Responsible Curriculum Development and Modification Under the Higher Education Employer-Employee Relations Act (HEERA)** Expresses concern about the flawed approach to shared governance evidenced in the development and implementation of EOs 1100(rev.) and 1110, laments that this approach to governance may stifle experimentation and adoption of best practices, encourages campus senates to exercise their control over the curriculum, and encourages the CSU administration to engage in data-driven and genuine consultation regarding the future of these two executive orders.
 - f. **Requirements for Faculty Discipline Review Group (FDRG) Membership in Support of the Development and Oversight of Transfer Model Curricula** clarifies the criteria, terms, and process for these appointments. These individuals oversee the Transfer Model Curricula (TMCs) that can be incorporated into CCC campus Associate Degrees for Transfer and the content of the courses which populate these degrees.
 - g. **Creation of California State University Curriculum Networks** encourages the Chancellor's Office to maintain contact lists of appropriate faculty for all disciplines for which a Transfer Model Curriculum or Model Curriculum exists and support electronic communications for those groups to facilitate needed disciplinary discussions.
 - h. **Examining the Impact of Attrition and Enrollment Growth on the Number of CSU Students** asserts that increasing graduation rates, in and of themselves, may not increase the number of graduates over time, encourages the CSU to recognize the impact of student attrition, urges the creation of a task force to examine student attrition, and supports the request of additional state funding to fully support an increase in the number of students served by the CSU. Background information related to this resolution can be found at <https://www.dropbox.com/s/jd9eesjag7mnyqy/Stohs-Schutte%20-%20Oct%202018%20Grad%20Rate%20Myth.pdf?dl=0>.
5. We passed the following resolutions after waiving a second reading. Normally first reading items are distributed to campuses for feedback. However, if the ASCSU deems an item to be urgent (e.g. the need to provide input before a policy or piece of legislation is being considered) it may waive the second reading. Copies of these and other resolutions can be found at <http://www.calstate.edu/AcadSen/Records/Resolutions/>.
- a. **Apportionment of Academic Senate CSU (ASCSU) Seats** addresses our mandate to ensure that the 7 largest campuses (based upon FTEF) are appointed a third seat on ASCSU during the coming year. No changes are required for next year's apportionment of senators across campuses.
 - b. **Response to the Governor's 2019 Budget Proposal** expresses appreciation for the Governor's proposed budget and expresses the need for more funding to adequately address additional priorities including more enrollment growth and deferred maintenance. This budget, if adopted, is likely the largest increase in combined base and one-time funding in the history of the CSU.

- c. **Appreciation for New Academic CSU Offices** acknowledges our gratitude for the increased space and functionality of the new office and to CO individuals and ASCSU staff involved in the allocation and move.
6. We introduced the following resolutions that will be considered for adoption at our March plenary. Copies of these resolutions should be available shortly for campus review.
 - a. **The Impact of Artificial Intelligence (AI) on Higher Education** endorses a white paper on the impact of AI on employment, education, etc. and calls for the creation of a task force to study the implications of the themes from this white paper and to develop possible recommendations to address them.
 - b. **Border Issues and Separation of Families: Impact on Students, Faculty and Staff in the CSU** calls upon the CSU to continue to support immigrant students, faculty and staff to increase programs to support these communities.
7. **Jennifer Eagan (CFA President)** reported the following.
 - The budget news is extremely positive. Governor Newsom has been even more supportive of the CSU than we expected.
 - There is money for 2% enrollment growth to augment rolled-over enrollment growth money.
 - There is money for increased tenure-track hiring.
 - There are funds for support of undocumented students for legal services.
 - The most promising way to increase graduation rates is to hire more faculty and offer more sections of classes. A 4-year graduation rate may not be the most appropriate measure of graduation success given our student body.
 - We are examining the potential to a return to the CA Master Plan tuition-free model. The waiving of CCC second-year tuition may be a step in that direction.
 - CFA is working on a follow-up training program to supplement their unconscious bias training.
 - We are looking at an audit of campus-based fees.
 - President Eagan also shared an overview of the CFA legislative agenda.
<https://www.calfac.org/politics>
 - We look forward to working with Governor Newsom.
8. **Trustee Peter J. Taylor** shared his extensive background in higher education, state government, energy and investments, and in the non-profit sector (foundations). Most of his work has been related to finance. He is currently Chair of the Committee on Educational Policy. He is very supportive of building communication and other skills into our students' learning experiences. He solicited feedback on online education, particularly undergraduate online education and the role of artificial intelligence in education. He also asked for our perspectives of the relative roles of a system office and the twenty-three universities. He worries about using undergraduate tuition to subsidize graduate programs. He feels that undergraduate education is a very important part of our mission. Coming to the Board after being the UC CFO for five years, he was very surprised at how low the CSU tenure density is. He is relieved that we have enough funds proposed in the Governor's proposed budget to make a dent in addressing needs like increasing tenure density. He is interested in perhaps increasing our commitment to professional graduate programs. Quality education cannot be achieved "on the cheap." This is the reason why he advocated for the last tuition increase during difficult financial times. He is mindful of the need to balance administrative needs with the importance of ensuring and financially supporting a quality educational experience for our students.

ASCSU engaged with Trustee Taylor in a robust session with questions and concerns. Trustee Taylor was very receptive to concerns expressed about educational quality, the insufficiency of resources to support it, and policies that might not be optimal to achieve our student outcome goals.

9. Chancellor Tim White began by recapping the many positive interactions CSU leadership has had with representatives, leaders, and staff in Sacramento. There is a recognition of the critical role the CSU plays for the state in transforming lives and meeting the state's workforce needs. The various parts of the CSU family have been united in arguing the value of the CSU to the state. This unity is very important in our lobbying efforts. It makes our collective voices more effective. We may disagree on other issues, but we need to continue advocating together for CSU funding. Dr. White thanked the faculty, staff and administration for their hard work for student success that has provided results which not only justify the investment by the state but also strengthens our case for additional increased funding in the future. Chancellor White intends to support the Governor's budget and continue to advocate for the funding necessary to allow us to transform even more students' lives. We will be paying close attention to the May Revise Governor's Budget (adjusted for more accurate projections of total state revenues for the year). We still need to increase access to the CSU in order to meet California's 2025 workforce needs. We are hopeful the state will issue a facilities bond for the UC and CSU. This would be done via state ballot in 2020. We anticipate that we would receive about \$4b from this bond. Timing (March primary vs. November general election) needs to be considered strategically. Sponsorship is another issue. We are very grateful for the one-time funds to address some of the deferred maintenance backlog. However, the bond is likely the only avenue to adequately address this growing problem. **In response to questions:** Dr. White supports the "Tenets of Shared Governance" document. There is no need for Board ratification nor Executive Order to give it more standing. He hopes the ASCSU will endorse it. We are continuing to look at the potential for moving increased numbers of faculty from contingency to TT status. The tenets document is forward looking. It is difficult to predict the effect that adopting the tenets document may have on previous administrative actions. We will continue to look at potential conflicts of interest regarding adoption of instructor-authored course materials. We are exploring many ways to support our underserved students including financial aid augmentations. The potential bond would be a general obligation bond with debt service paid by the state. We would likely spend most of the funds on maintenance, upgrades, and retrofitting. Chancellor White seemed supportive of allowing some flexibility in implementing EO 1100 at CSUB and other campuses. He pointed to a member of the GE Task Force and requested that attention be paid to my (Senator Tarjan's) request for flexibility in implementation. Regarding Civil Discourse: We need to balance the need for universities to address difficult issues and questions with the desire to be supportive and inclusive of our diverse community. The CSU, Fresno "Principles of Community" <http://fresnostate.edu/president/strategic-plan/principles-of-community.html> is an attempt to strike this balance. We need to foster inclusivity. Free speech needs to be free but we need to concomitantly be inclusive in our interactions and discourse. The price of free speech may be that our values are sometimes violated by members of our community.

10. Dean Kulju, Director of Student Financial Aid Services and Suzanne D. Phillips, Interim AVC made a presentation about financial aid and Cal Grants. 81% of our students receive at least some financial aid. 59% of our undergraduate students have their full tuition waived or covered by financial aid (meaning only 41% pay even partial tuition out-of-pocket). 51% of CSU baccalaureate students graduate with no debt. The average loan debt of the remaining 49% was about \$17k vs. a much higher national average for student debt. Eligibility criteria for Cal Grants was reviewed as well as the different type of awards. See <https://www.csac.ca.gov/cal-grants> for more information on Cal

Grants. There are some unintended consequences from the eligibility criteria that we hope will be addressed via legislation. Several suggestions for improving the program are being discussed with representatives and staff in Sacramento. This report will be repeated at the Board of Trustees meeting next week during the Committee on Educational Policy. <https://www2.calstate.edu/csu-system/board-of-trustees/past-meetings/2019/Documents/jan-22-23-ed-pol.pdf> **In response to questions:** The state still only provides \$35m of funding for State University Grants, despite the total amount allocated by the CSU growing to \$700m. The CSU has to make up the shortfall (Tarjan: in essence, not collecting tuition money from a significant percentage of needy students whose other financial aid does not fully cover tuition). Campuses with a higher percentage of students receiving SUGsm in essence, are subsidized by campuses with lower percentages of students receiving SUGs through system budget practices. (Tarjan: To not do so would mean campuses like SLO would receive significantly more tuition revenue per student than would Bakersfield if these adjustments were not made.)

CSU Financial Aid (Big Picture) 2017- 18 Preliminary Numbers

- **Nearly 390,000** CSU students received aid (81% of all students)
 - **Over \$4.5 billion** in total financial aid
 - **59%** of **all** undergraduates have full cost of tuition covered by grants, scholarships or waivers
 - **51%** of CSU Bachelor's recipients graduate with zero student debt
 - The average loan debt for CSU students was **\$17,367** in 2017, compared with the national average of **\$28,650**

11. Kaila Cooper (CSSA Liaison) was joined by several other CSSA officers. They have been considering/taking positions on executive compensation, support for undocumented students, student trustee selection, their legislative agenda, the Governor's Budget, student basic needs, student financial aid, parking, faculty hiring, alternative forms of transportation, etc. In response to the same question asked of Chancellor White on civil discourse, racism, and classism, CSSA officers provided thoughtful student perspectives on their views and approaches to supporting an inclusive and safe environment focused on student wellbeing.

12. James Swartz (ERFSA Liaison) reported on recent developments, including implementing the name/membership eligibility changes. Note: ERFSA provides many very valuable resources for retired and nearly-retired CSU employees. The website is particularly valuable. <http://csuerfa.org/>

Associated Students:

Submitted by Jazmin Sandoval, AS President

Unfortunately, AS board member and AS college representative for the College of Arts, Humanities, and Social Sciences (CAHSS) Bernadette McConnell had to resign from serving on the University Senate due to time conflicts. I am proud of her work served on the University Senate and shall

be missed. However, I am pleased to announce that AS has appointed Julia Gomez and Nolan Marshall to represent the remaining two student voices on University Senate. Julia is a senior at HSU and is an Environmental Resources Engineering major who has a variety of experience in student leadership and I am proud to have her on the University Senate representing students. Nolan is a junior and geology major at HSU who wanted to join the University Senate in understanding problems and working to reach solutions.

I attended the California State Student Association (CSSA) Plenary meeting January 19th-20th held at San Diego State University. These plenary meetings happen once a month and is where student AS/ASI representatives from all 23 CSU's meet to talk about policy making and advocacy for higher education at the state level. We talked about several resolutions such as the CSSA Resolution to Increase Resources and Opportunity for Undocumented Students, California State Student Association's Say on Pay Resolution, Resolution Regarding CSU Campus President Evaluation Policy and Procedure, and Resolution Regarding Student of Color Safety and Justice for Josiah that our AS External Affairs member Oliver Winfield-Perez wrote and presented to the University Affairs committee. This resolution is asking CSSA request efforts to improve campus-community relationships and safety implemented across the CSU system, with a working group being formed at the system level, and that this working group shall be composed of CSU students, community members, faculty, staff, administration, along with executives. California Faculty Association (CFA) and Students for Quality Education (SQE) representatives, and that the Chancellor's office provide full funding for this project.

There is also the UNDERGRADUATE RESEARCH OPPORTUNITIES IN THE CSU project. ED TRUST REPROACH PROJECT, and CSU STUDENT SUCCESS ANALYTICS CERTIFICATE PROGRAM which are all research opportunities students can be a part of or suggest research projects that will get funded. For more information please go to the CSSA website: <https://calstatestudents.org> . San Diego State gave a presentation of there Aztecs Rock Hunger campaign that reaches to feed all of students and were able to raise a record high of 590,503 pounds of food in Fall 2018. They ask all CSU campuses get behind this initiative to end student hunger and gave a fantastic presentation on how they were able to raise so much food donations.

CSSA also talked about CHESS which is the day where CSU campuses participate in CSU Student Advocacy Day and go to Sacramento to advocate for more funding for higher education. Any student can attend and this year's CHESS will be March 10th-11th. The last day to register is February 8th and can do so at <https://calstatestudents.org/chess/>. This year we are excited to be in coalition with University of California schools and Community Colleges school to unite our efforts in advocating for our new campaign: Fix Financial Aid. Last years advocacy efforts was geared towards Basic Needs and Choose CSU. Due to lack of support and lack of respect, HSU AS Environmental Sustainability officer and CSSA Sustainability officer Isabel Sanchez-Pacheco has resigned from their position as CSSA Sustainability officer, it saddens me but I fully support their decision to resign. AS External Affairs officer Oliver Winfield-Perez will continue to represent as the official voting member for CSSA. Lastly, everyone was excited to share Governor Gavin Newsom's budget proposal for the year as he has generously given \$570 million to the CSU system. It is still not enough to fully fund the CSU system, but it a very generous start and we will be advocating for more funding at CHESS and in the coming years.

I attended the AS Spring retreat this past weekend at the Humboldt Bay Aquatic Center (thanks to them for hosting). It was fun and informational event that started at 10am and ended at 5pm. Thank

you to Roger and Christine from the Dean's Office who came and gave us a facilitation presentation that was helpful and interactive. We also went over AS codes, guidelines, and other roles and duties as AS representatives and was an overall good bonding experience. I am excited for what is to come for the Spring semester and how we as the official voice of students can best advocate for their needs and wants.

I met with Vice President Douglas Dawes last Wednesday and discussed the fate of HSU as Governor Gavin Newsom's budget proposal is funding CSU's more, and with HSU's enrollment in decline, what that means for us financially. Amber Blakeslee from the finance office was also in attendance. We really do not know yet as the methodology behind the way they determine which CSU's get more funding is very dependent on enrollment and seeing as we are projected to be 5-10% down in the next couple of years, that might mean we get cut funding for the students we currently do not have. However, Governor Newsom did give money for the 3% increase on faculty and staff wages, and that will help tremendously with not increasing our deficit of \$5 million. There is also \$247 million that Newsom gave towards deferred maintenance and childcare centers. They both are mixed together for some reason which we found odd, but seeing as our campus has many deferred maintenance projects in line, we will hopefully see some of that money go to us. We also talked about Provost Alex Enyedi's call for student employment as he allocated \$400,000 through the Graduation Initiative 2025 monies and is looking in hiring student escorts trained by the police department to walk students home and feel safer on campus. He also updated me that Chancellor White has called the CSU tuition increase "off the table" meaning there will be no tuition increase this year which is great for students. \$15 million was also granted for Basic Needs and \$45 million towards Graduation Initiative 2025 from Governor Newsom. Amber also updated me on Openbook which you can find under the University Budget Office webpage through the Humboldt State University website. They have added two new sectors referring to Graduation Initiative 2025 allocation and spending. Here is the link: <http://budget.humboldt.edu>

Lastly, I have been attending meetings with Office of Diversity, Equity, and Inclusion, Student Life, Wells Fargo/HSU Alumni, OhSnap!, and Student Resident Life to collaborate in creating Financial Literacy workshops for low income, pell eligible, and first generation students. Wells Fargo will not solicit any products, and are simply there to facilitate and provide insight on financial literacy. Health Education, the library, financial aid, and the academic career and advising center have also been asked to join and collaborate. The workshops are new and we are hoping to have six sessions every semester and continue to do so every year and grow. They are focused on students individualistic needs and we have the dates and times so far, but no rooms locked just yet so be on the lookout for flyers. We are also hoping to add these workshops to freshman and implement them in some courses so they gain this knowledge. Here are the first sessions:

- Family Affairs, Financial Independence 2/13/19, 4-6pm
 - Food Planning 2/27/19, 4-6pm
 - How much can you spend on Spring Break / pay yourself first 3/13/19, 4-6pm
 - Credit Awareness, Career Planning 4/11/19, 4-6pm
 - How to plan for a move and how can you afford it? 4/24/19, 4-6pm
 - Student loans and scholarships (save for fall)

Office of Equity, Diversity, and Inclusion:

Submitted by Cheryl Johnson, Director, Office of Diversity, Equity, and Inclusion

The Diversity, Equity & Inclusion Council met and discussed how they could support the Senate in having the racial discussions on the agenda. Members will come in pairs and facilitate various activities or dialogues. The 30 minute sessions will be developed in a scaffolding manner in order to meet people where they are at in their understanding of racial equity.

Racial Equity

Equity work at Humboldt State University (HSU) recognizes the historical and systemic disparities in opportunities and outcomes and provides resources necessary to rectify those disparities. Racial equity at HSU will be achieved when one's racial identity no longer predicts, in a statistical sense, how one fares. Racial equity is one part of racial justice and works to eliminate policies, attitudes, and cultural messages that reinforce differential outcomes by race.

Adapted from the Education Trust-West and the Center for Assessment and Policy Development

The Equity Manifesto:

It begins by joining together, believing in the potency of inclusion, and building from a common bond.

It embraces complexity as cause for collaboration, accepting that our fates are inextricable.

It recognizes local leaders as national leaders, nurturing the wisdom and creativity within every community as essential to solving the nation's problems.

It demands honesty and forthrightness, calling out racism and oppression, both overt and systemic.

It strives for the power to realize our goals while summoning the grace to sustain them.

It requires that we understand the past, without being trapped in it; embrace the present, without being constrained by it; and look to the future, guided by the hopes and courage of those who have fought before and beside us.

This is equity: just and fair inclusion into a society in which all can participate, prosper, and reach their full potential. Unlocking the promise of the nation by unleashing the promise in us all.

The Equity Manifesto has been inspired by the work, commitments, insights, and resolve of the many partners with whom PolicyLink has shared this journey. Please use it, share it, and reflect on it in your lives, your work, your struggle. Just please don't change it.

Administrative Affairs:

Submitted by Doug Dawes, Vice President of Administrative Affairs

Accounting & Student Financial Services:

- Candidates for Controller will be on campus over the next couple of weeks.
- Audit Updates
 - Cash Management Audit is completed and all findings have been cleared.
 - Information Security audit has two findings remaining.
 - Health and Safety Audit will begin in April.

Risk Management:

- The State Auditor's office has accepted all of the responses to the recommendations of the audit findings. Our Clery audit has concluded.
- The CO will be conducting a Health and Safety Audit, April, 2019.
- Please contact RM&SS (Paul.Vrabel@humboldt.edu) if you would like to have an ergonomic evaluation of your work area. You will be asked to complete a self-evaluation survey prior to the site inspection.
- We are pleased to welcome Cris Koczera as our new Emergency Management Coordinator.
- The updated EOP (Emergency Operations Plan) has been posted and distributed to our community partners.
- The THIRA (Threat and Hazard Identification and Risk Assessment) has been completed. This is a supporting document requirement of our business continuity plan.
- We will have successfully secured the funding for trainings to occur on campus and/or locally within the next year
 - CalOES Disaster Cost Recovery (HSU)
 - Mass Fatalities Management and Response in Rural Communities (Blue Lake)
 - Managing Critical Incidents at Institutions of Higher Education: A Whole Community Approach (HSU)

Budget:

- Here is the link to the OpenBook Dashboards: <https://hsu.openbook.questica.com/>, which now include Graduation Initiative 2025 dashboards reflecting base (ongoing) and one-time investments to-date. Amber Blakeslee is happy to answer any questions you may have! The dashboards can also be accessed via the Budget homepage at budget.humboldt.edu.

Contracts, Procurement and Accounts Payable:

- Campus Marketplace has launched and the campus now has the ability to use Amazon Business if they go through the Marketplace portal from the myHumboldt portal. All ProCard purchases

should be made through Campus Marketplace, unless the commodity is not available. Any issues or questions can be directed to procure@humboldt.edu.

- Concur is now open for the campus to use. Travel must be state-side (multiple funding sources are ok, but they all need to be in HMCMP). The travel must be by staff or faculty (no students, guests, or groups). Traveler's budget approver, and "one-up" administrator must also be willing to participate as approvals will be done via Concur or the Concur phone app. People interested can contact Denise Gentry in Business Services to get started. If the travel will not be 100% reimbursed, please contact Tawny Fleming.

Facilities:

- Construction for the Seismic Retrofit project for the Theatre and the Library is well underway. The project is on schedule and within budget.
- Facilities is working on our summer project list which includes classroom renovations including technology in over 15 rooms; replacement of roofs at Redwood Residence Hall and the Wildlife Building, SHC HVAC Replacement, fire alarm replacement in three residence hall buildings; Elevator modernization at UC, NR, Gist, Siemens, Founders; University Center Electrical Substation replacement, Campus Apartment accessibility projects, installing utility meters in 14 buildings, exterior lighting projects for street lighting and 6 buildings around the art quad, data center fire suppression system replacements.
- Facilities is engaged in the development of a physical master plan structure and schedule with partners in Academic Affairs.
- Facilities is actively engaged in a feasibility study for new housing on campus.
- Jenkins Hall is in design and planned for construction to begin Spring 2020.

Human Resources:

- CSU Learn will be up and running by January 29, 2019. This will replace Skillport and has greater functionality for users such as improved interface and management.
- Human Resources looking to utilizing Inverify for employment and income verification. This will be more efficient, improve accessibility, and be at no cost to HSU.
- Comp & Class working, along with other CSU campuses, on a system-wide Position Description digital online library for all positions throughout the CSU. There is currently no ETA on this project but HR will continue to keep the Senate informed.
- CHRS (Common Human Resources System) – the milestone check-in will be held on Monday, January 28, at 1:30pm, after this update has been submitted. A report will be given at the meeting based upon the meeting.
- Current Recruitments to be Aware of – Athletic Director, Associate Vice President of Faculty Affairs, Human Resources Training Specialist.
- Continued work on separating Human Resources and Academic Personnel Services functionalities to improve services and create clarity for the campus.

UPD:

- UPD held its 4th Annual Inspection & Recognition Ceremony on Wednesday, January 16th. President Rossbacher administered the Oath of Honor and a total of 10 team members

were recognized for their achievements during 2018. Additionally, UPD recognized Christina Okoye (HSU Employee) and Christian Boyd (HSU Students) for their exceptional and noteworthy assistance to UPD relating to communications and outreach.

- The UPD Scholarship is another year towards endowment. 2018 contributions exceeded \$2,300.00 in 2018 and the fund is continuing to grow towards the \$25,000.00 endowment level.
 - UPD Officer Louis Altic was recognized for his heroism, in connection with a September, 2017 incident, at the CSU Board of Trustees meeting that took place on Wednesday, January 23, 2019 at the Chancellor's Office in Long Beach. This was the first ever system-wide CSU Police Commendation Ceremony and Officer Altic was presented with the Medal of Valor and Purple Heart medals by Chairman Day and Chancellor White.

1. College Dean Search Update

CNRS – three finalist candidates for the CNRS dean position will present at open forums the week of 1/28-2/1, 2019. Drs. Laurie Fathe (Heritage University), Christine Maher (University of Southern Maine) and Dale Oliver (Humboldt State University) will each provide a public presentation followed by a Q&A session on the following topic: “What is your vision for CNRS in the national context of higher education? How would you strategically build our capacity, so we can build on our strengths, take advantage of new opportunities and mitigate some of our challenges?”

For more details, visit: <https://www2.humboldt.edu/pmc/node/3952>

CPS – the search for the next dean of CPS is underway. The position was posted and advertised on December 21, 2018. The search committee was finalized on January 22, 2019 and will be chaired by . Review of applicant files will commence in early February with the goal for finalists to visit campus in mid-March.

2. Creating Change for Equity – Fall 2020 Faculty Hiring Update

On 1/25/19 CAHSS, CNRS, CPS and Library received (i) the hiring criteria for AY2019-20, (ii) a rubric for deans to evaluate all position requests, and (iii) the schedule/timeline for making recruitment decisions. All positions are contingent upon available funding. It is anticipated that the deans will be informed of position request decisions by April 05, 2019.

3. Creating Change for Equity - Student Success Alliance (SSA) and GI2025 Fund Allocations during 2019-2020 AY

In Fall 2018 semester, the Student Success Alliance (SSA) carefully deliberated and recommended the distribution of \$2.47M recurring base funding to support (i) additional faculty hiring and (ii) student success initiatives across the six GI2025 pillars. An additional \$2.7M in one-time funding was also distributed across the six GI2025 pillars by the SSA.

Graduation Initiative 2025 Base Budget Investments as of January 2019

\$4.6 Million

To date, HSU has received close to \$4.6 million in base funding for Graduation Initiative 2025 activities (\$2.1 million in 2017-18 and almost \$2.5 million in 2018-19). This dashboard highlights the exciting investments HSU is making with this funding. Note: Specific allocation details for some activities are still a work in progress and (Allocations TBD) is included for reference on these allocations.

4. Future GI2025 Funding Distribution Process (2019-2020 Academic Year)

In preparation for the 2019-2020 AY GI2025 funding allocation to HSU (anticipated to be \$45M to the entire CSU per Governor's preliminary budget proposal), Humboldt State University will issue a campus-wide request for proposals (RFP) on February 01, 2019.

The timeline for this RFP process has been developed in collaboration with the IAPB. During the week of January 28-31, 2019, the SSA committee will finalize the key elements of the RFP (i.e. Goals and Objectives, Proposal Design, Funding Need) and the scoring rubric to evaluate department/unit/program requests for next year's GI2025 funding. All divisions across HSU are eligible for consideration. Full details of the RFP process will be announced on February 01, 2019.

5. Enrollment Management Update

The total number of student applications (as of 01/28/19) for Fall 2019 are 8.92% lower compared to Fall 2018. This represents 1,338 fewer student applications compared to one year ago.

When compared to Fall 2015 (HSU's record high student enrollment year), Fall 2019 student applications are 18.9% lower (3,173 fewer applications). First-time undergraduate students applications are lower by 22.2% since 2015 (see table below).

To-date Fall Applicants by Applicant type report generated: 28-JAN-19

Enrollment Management has already implemented numerous tactics/strategies (aligned with the HSU Strategic Enrollment Management Plan) to elevate the Fall 2019 (and Fall 2020) applicant pool. One example is the student-to-student call campaign that begins February 04, 2019. Current HSU students will be calling every admitted student over a six-week period. This call campaign reflects the close collaboration between each of our academic departments and the Office of Admissions.

President's Office:

Submitted by Lisa Rossbacher, President, Humboldt State University

Welcome back for spring semester!

You have probably seen this information already, but I wanted to be sure you are aware of Governor Newsom's proposed budget for the California State University for 2019-20. His proposal includes the following:

2019-20 Recurring Funding for the CSU	Governor's Proposed Budget
Compensation & Mandatory Costs	\$193 million
2% Enrollment Growth (~7,200 students)	\$62 million
Graduation Initiative 2025	\$45 million
Project Rebound	\$250,000
Total	\$300 million

2019-20 One-Time Funding for the CSU	Governor's Proposed Budget
Deferred Maintenance	\$247 million
Basic Needs Partnerships	\$15 million
Total	\$262 million

The overall proposed budget reflects the Governor's priorities to (1) build reserves, eliminate debts, and reduce liabilities, (2) assist the most vulnerable Californians, and (3) invest in existing programs. The budget is considered "cautiously optimistic," and it assumes continued revenue growth for the state averaging 3% through 2022-23.

As I noted in my Spring Welcome, this proposed budget will be important in providing HSU additional time to address our current budget situation and stabilize our enrollment numbers. And as you will recall from past budget cycles, the entire CSU will be working hard over the next six months to advocate for the Governor's proposed budget to the Legislature. The Governor will issue a revised budget in May, which will include some additional adjustments, and we will know more definitively about the 2019-20 budget in June (for the fiscal year that begins on July 1, 2019). For now, this proposed budget for the CSU and additional guidance to our Vice President for Administration and Finance, Doug Dawes, will be valuable in our fiscal planning processes. Provost Enyedi has been working with multiple groups to be proactive in discussing how we will allocate Graduation Initiative funds when (and, of course, if) they are allocated to Humboldt State.

Given the funding for the CSU that is included in Governor Newsom's budget, Chancellor White has indicated that he does not expect any tuition increase for 2019-20.

Lt. Governor Eleni Kounalakis is an *ex officio* member of the CSU Board of Trustees, and she attended this January Board meeting. She visited HSU last July, and she reflected last Tuesday about what a positive experience she had on our campus. In addition, multiple members of the Board of Trustees

commented on how much they are looking forward to visiting HSU for the open forum for the presidential search process on February 4 (and a few noted their surprise at discovering the challenge of actually getting here!).

As always, I am available to answer questions. You all have my very best wishes for a great semester.
