Space Allocation Details

Type of Space Needed

Dr. Gregg Gold is returning to Psychology after serving as Associate Dean in CPS. We have hired new faculty who occupy his office and only have one windowless office to offer him on the 5th floor of BSS. He agreed to take this temporarily next semester but we would like an office on the 4th Floor of BSS with a window so he will be near our other faculty, our department office, xerox machine, mailboxes, etc.

Alignment with University Principles

HSU Strategic Plan

Strategic Plan Goals: None of the above

Collective Impact: N/A

Request Importance - Needs Analysis:

Math and Social Work have some faculty on the 4th floor which began as the Psychology floor when the building was designed. Other Deans moved one math faculty member and several social work contract workers/faculty into those spaces when our faculty was in decline during the economic recession. We have since hired nine faculty and all offices are packed and lab spaces are all shared. We now need those spaces back as neither Dr. Gold nor Dr. Howe (currently using Department Chair office) will have an office in BSS 4th floor with the rest of the department. Dr. Howe's term as chair ends in May, 2020.
