

General Education Requirements for Second Baccalaureate Degree

If first degree was awarded from HSU: All General Education requirements will be considered satisfied by completion of the first degree, including the 9 unit General Education residence requirement.

If first degree was awarded from another CSU: All General Education requirements will be considered satisfied by completion of the first degree. However, 9 units of General Education must be satisfied in residence (that is, at HSU). Student must satisfy the G.E. residence requirement by completing any 9 units of approved (lower or upper division) General Education courses at HSU.

If first degree was awarded from any college outside of the CSU: All General Education requirements for the current catalog (or for whichever catalog the student elects in compliance with catalog election rights as outlined in Title 5) must be satisfied, with a minimum of 9 units of General Education to be completed in residence at HSU.

Revised: June 1998, effective immediately.
