

(Resolution #22-05/06-SA)

Resolution Recommending Use of a Purchased Course Evaluation Form

Resolution #22-05/06-SA – March 28, 2006

RESOLVED: That the Academic Senate of Humboldt State University thanks the Course Evaluation Subcommittee for their two years working towards a course evaluation form which would be useful for every department; and be it further

RESOLVED: That the Student Affairs committee be charged with the task of selecting one of the many Nationally-recognized course evaluation forms available for purchase; and be it further

RESOLVED: That the procedure for the selection of this form will be as follows:

- a) By Friday, April 7, the Student Affairs Committee will select two or three forms for final consideration.
- b) Copies of the selected forms will be distributed to the University community; feedback will be due by Wednesday, April 19.
- c) The form will be presented to the Senate for approval at the April 25 meeting.

; and be it further

RESOLVED: That use of this new form begin in the Fall of 2006.

***RATIONALE:** The response to the two forms proposed by the Course Evaluation Subcommittee has not been positive, yet the charge to find a standardized course evaluation instrument remains. The various Nationally-created forms are currently in use at many Universities similar to HSU, and have had extensive testing to determine their effectiveness.*
