Resolution on Revised Course Numbering Policy

#12-13/14-APC –12-9-2014 – First Reading

Resolved: That the University Senate of Humboldt State University recommends to the Provost that the revised course numbering policy dated December 9, 2014 supersede the previous version.

Rationale: In order to allow Area E general education courses to be offered at all course levels, i.e. 100, 300 or 400, the course numbering policy must be amended to accommodate this change.
