

**Resolution on Elevating the Liberal Studies Major Option in  
Recreation Administration to a Stand-alone Major**  
#13-13/14-ICC-December 2, 2014- First Reading

Resolved: That the University Senate of Humboldt State University recommends to the Provost that Curriculum Proposal 13-417 be approved in order to elevate the existing Liberal Studies Major Option in Recreation Administration to a stand-alone major.

*Rationale: A stand-alone major reflects students' understanding that they are "majoring in Recreation Administration." It also simplifies curriculum reporting and update for the program, as well as making the program more visible both in and outside HSU.*

*Following Senate approval, this proposal will go to the Chancellor's Office for final approval.*

*There are no changes to the Recreation Administration Curriculum associated with this proposal.*
