

## **Resolution on Forestry 359: CA & US Forest and Wildland Policy**

**#17-14/15-ICC – 1/27/15**

**Resolved:** That the University Senate of Humboldt State University recommends to the Provost that FOR 359: CA & US Forest and Wildland Policy, as described in curriculum form 13-212, be approved as a new course.

*Rationale: The summaries of the proposals is as follows:*

*13-212*

*FOR 359: CA & US Forest and Wildland Policy (3) - new Forestry Major and Institutions Course. (Proposed so that FOR majors could double-count this course for both the Major and Institutions to enable them to meet the 120-unit cap.) Course description: US and CA government and policies are introduced with an emphasis on the interactions between these institutions and natural resource management. Regulations are analyzed from creation to implementation and interpretation.*

*Both the syllabus and GEAR SLO Assignment Inventory indicate that this course meets the criteria for American Institutions (US & California Government).*

*Because this course is essential for the Forestry program to meet the Chancellor's Office 120-unit requirement, the ICC permitted Forestry to offer this course during the 14/15 academic year as a Special Topics course. Meanwhile, the ICC will review this proposal with the goal of approving the course in time for it to be included in the 15/16 catalog.*
