

University Senate Action Item, 12/6/16
Faculty Senator Vote for ASCSU Temp Replacement
Candidate Statements

Faculty Senators will be voting to determine who will fulfill Erick's ASCSU duties next spring while he is on sabbatical leave. As per the direction of our Parliamentarian, the process for making this replacement should echo the procedure we used to appoint Mary Bockover to the UFPC this semester. In that spirit, the officers of the General Faculty are bringing forward the names of our two candidates for the position – Ben Marschke and Kerri Malloy. Please see below statements from both in support of their nominations.

Ben Marschke Personal Statement:

I've been at HSU over 10 years, and I have experience serving HSU in a variety of capacities and working with a variety of constituencies.

I've served as department chair, served on the University Senate, chaired the Academic Policies Committee, served on the Course Scheduling Task Force, chaired the Committee on Faculty RTP Criteria and Standards, and I'm currently serving on the UFPC.

I would be honored to serve HSU as its representative to the ASCSU, I'm eager to be part of the Senate at HSU.

Kerri Malloy Personal Statement:

Thank you to those who have the confidence in me to fill this position for the nomination, I do appreciate it. I accepted the nomination for the ASCSU position because it offers the opportunity to represent Humboldt State in the discussions of the issues that are facing CSU faculty and campuses at the state level. I have served on the University Senate for the past three semesters and have been responsible for program leadership duties in the Native American Studies department for the past two semesters, both of which have been rewarding in the experiences and opportunities to understand university processes. I look forward to the opportunity to represent Humboldt State University at the statewide level.
