## **Senate Committees Written Reports**

### **Integrated Curriculum Committee**

**May 5, 2015**

The ICC is working on

- Curriculum Proposals.
  - Revisions to the PREP process and reports. The goal is to make the reports more meaningful – and to have them lead to action.
- 

### **Appointments and Elections**

**May 5, 2015**

We have wrapped up elections and are preparing the results. As such we are trying to figure out how to fill the ICC Chair position since the only nominee dropped out just before election. We are working with the Senate office, senate executive committee, and the Constitution and bylaws committee to come up with possible solutions for an interim ICC chair until the next election.

### **Faculty Affairs**

**May 5, 2015**

FAC met on Tuesday, April 28<sup>th</sup>. Lisa Castellino joined us as we continued to revise the course evaluation instrument. We also discussed the text of the resolution that will go forward with the revised instrument. We have worked with APS and developed a final draft of Form 320 and continue to develop the information regarding electronic verification.
