

ICC Consent Calendar for 11/14/17 University Senate Meeting

16-225

WLDF 464: Urban Wildlife Ecology - New Course - 3 units, 2 C-2, 1 C-16. Fundamentals of urban ecology, field methods including urban wildlife and human surveys, and urban wildlife management and conservation strategies.

16-226

Wildlife: Management and Conservation PROGRAM CHANGE

Add new course WLDF 464: Urban Wildlife Ecology to the list of "Advanced" Courses.

16-228

Wildlife: Conservation and Vertebrate Ecology PROGRAM CHANGE

Add new course WLDF 464: Urban Wildlife Ecology to the list of "Advanced" Courses.

16-184

ART Museum and Gallery Studies PROGRAM CHANGE

Art, in response to recent accreditation review, has decided to replace several lower division art courses with a two semester survey of Art History (Art 103A [16-189] and ART 103B [16-190]). There is no change to the total number of units and this brings it more in line with other colleges.

16-185

Art History Minor PROGRAM CHANGE

Art, in response to recent accreditation review, has decided to replace several lower division art courses with a two semester survey of Art History (Art 103A [16-189] and ART 103B [16-190]). There is no change to the total number of units and this brings it more in line with other colleges.

16-186

Art Studio Major PROGRAM CHANGE

Art, in response to recent accreditation review, has decided to replace several lower division art courses with a two semester survey of Art History (Art 103A [16-189] and ART 103B [16-190]). There is no change to the total number of units and this brings it more in line with other colleges.

16-187

Art Education PROGRAM CHANGE

Art, in response to recent accreditation review, has decided to replace several lower division art courses with a two semester survey of Art History (Art 103A [16-189] and ART 103B [16-190]). There is no change to the total number of units and this brings it more in line with other colleges.

16-188

Art History Major PROGRAM CHANGE

Art, in response to recent accreditation review, has decided to replace several lower division art courses with a two semester survey of Art History (Art 103A [16-189] and ART 103B [16-190]). There is no change to the total number of units and this brings it more in line with other colleges.

16-189

ART 103A Survey of Art History I: Prehistory-Medieval NEW COURSE

This three unit C-1 lecture course is the first of a two part world art history survey course [second half in 16-190] being added by the department due to accreditation recommendations and for easier transferability with

community colleges. The two-course set will replace a previous set of courses but not remove those (which also meet GE) from rotation. [see 16-184 - 16-188 for program change].

16-190

ART 103B Survey of Art History II: 1400CE-Contemporary NEW COURSE

This three unit C-1 lecture course is the first of a two part world art history survey course [first half in 16-189] being added by the department due to accreditation recommendations and for easier transferability with community colleges. The two-course set will replace a previous set of courses but not remove those (which also meet GE) from rotation. [see 16-184 - 16-188 for program change].

17-064

ART 273 Illustration I COURSE CHANGE

The department is changing the course repeat limit to not repeatable as recommended by NASAD accreditation and desired by Drawing faculty.

17-065

ART 122 Life Drawing I COURSE CHANGE

Change repeatability to "not repeatable for credit" as recommended by the accrediting body (NASAD), and by Drawing faculty.

17-066

FREN 324 Intro to Language OR Intensive French Language: Regional Studies COURSE CHANGE

Change course repeat Limit to "Students can enroll and earn credit in multiple sections in a term." This course is a "topics" course to use for different content, as needed. If two or more sections of the course are offered during the same term, the content of the sections would be different.

17-068

CRGS 485 Senior Portfolio COURSE CHANGE

Change course title to "Professional Development" and change course description to reflect the updated structure and content of the course (e.g., there is no longer a portfolio required for the course). A new syllabus was included.

17-069

WS 350 Women's Health and Body Politics COURSE CHANGE

New course title "Health and Body Politics" and updated course description to reflect a course restructuring that was mad to enrich CRGS learning outcomes. A new syllabus and documentation of appropriate consultation with related programs is included.

17-072

ENGL 460 Literary Editing and Publishing COURSE CHANGE

Change grade mode from Mandatory CR/NC to Optional CR/NC. The original motivation for mandatory CR/NC no longer exists. A new syllabus is included.

17-074

BIOL 306 California Natural History COURSE CHANGE

Updated course description clarifies existing policy: that majors or minors in the Biological Sciences cannot use this course to satisfy major or minor requirements.

17-075

BIOL 308 Environment & Culture: How People Transformed a Continent COURSE CHANGE

Update course description to clarify existing policy: that majors and minors in the Biological Sciences cannot use this course to satisfy major or minor requirements.

17-076

BOT 300 Plants & Civilization COURSE CHANGE

Update course description to clarify existing policy: that majors and minors in the Biological Sciences cannot use this course to satisfy major or minor requirements.

17-077

BIOL 301 History of Biology COURSE CHANGE

Update course description to clarify existing policy: that majors and minors in the Biological Sciences cannot use this course to satisfy major or minor requirements.

17-078

BIOL 304 Human Genetics COURSE CHANGE

Update course description to clarify existing policy: that majors and minors in the Biological Sciences cannot use this course to satisfy major or minor requirements.

17-079

BIOL 305 Social Behavior & Biology COURSE CHANGE

Update course description to clarify existing policy: that majors and minors in the Biological Sciences cannot use this course to satisfy major or minor requirements.

17-085

ART, Studio BFA PROGRAM CHANGE

Replace current lower-division course requirements, ART 103 and ART 104I with ART 103A and ART 103B, as recommended by the accrediting body NASAD, and to strengthen connection with the HSU learning outcome regarding diversity.

17-086

Environmental Resources Engineering PROGRAM CHANGE

Modify the Upper Division Science elective list for the major by adding CHEM 341 and CHEM 370, and removing CHEM 328. Documentation indicating appropriate consultation with the Chemistry Department is included.

17-088

PSCI 318 Race, Gender, and US Law COURSE CHANGE

Suspend the course, since the needed content is available through CRGS 360 Race, Gender, and US Law.

17-089

Political Science, Law and Policy Concentration PROGRAM CHANGE

Replace PSCI 318 with CRGS 360 in program requirements. See 17-088.

17-108

PSYC 485 Senior Seminar COURSE CHANGE FORM

Add "PSYC 104 with a grade of C- or higher" to the prerequisites for this course to ensure that student have a basic level of understanding regarding fundamental psychological constructs necessary to be successful in the major. The change is consistent with program SLOs.

17-109

PSYC 336 Social Influence & Persuasion COURSE CHANGE

Add "PSYC 104 with a grade of C- or higher" to the prerequisites for this course to ensure that student have a basic level of understanding regarding fundamental psychological constructs necessary to be successful in the major. The change is consistent with program SLOs.

17-110

PSYC 419 Family Violence COURSE CHANGE

Add "PSYC 104 with a grade of C- or higher" to the prerequisites for this course to ensure that student have a basic level of understanding regarding fundamental psychological constructs necessary to be successful in the major. The change is consistent with program SLOs.

17-111

PSYC 321 Intro Behavioral Neuroscience COURSE CHANGE

Add "PSYC 104 with a grade of C- or higher" to the prerequisites for this course to ensure that student have a basic level of understanding regarding fundamental psychological constructs necessary to be successful in the major. The change is consistent with program SLOs.

17-112

PSYC 240 Understanding Research Methods in Psychology COURSE CHANGE

Add "PSYC 104 with a grade of C- or higher" to the prerequisites for this course to ensure that student have a basic level of understanding regarding fundamental psychological constructs necessary to be successful in the major. The change is consistent with program SLOs.

17-113

PSYC 242 Introduction to Psychological Research Design & Methodology COURSE CHANGE

Add "PSYC 104 with a grade of C- or higher" to the prerequisites for this course to ensure that student have a basic level of understanding regarding fundamental psychological constructs necessary to be successful in the major. The change is consistent with program SLOs.

17-117

ART 103 Introduction to Art History COURSE CHANGE

This course is being suspended because, in line with accreditation review, the department has decided to replace the course with a two-semester art history course [16-189 & 16-190].
