Resolution on Revised Course Numbering Policy

#12-14/15-APC – 11-4-2014 – First Reading

Resolved: That the University Senate of Humboldt State University recommends to the Provost that the revised course numbering policy supersede the previous version.

Rationale: In order to allow Area E general education courses to be offered at all course levels, i.e. 100, 300 or 400, the course numbering policy must be amended to accommodate this change.
