

THIS IS NOT THE ENTIRE STANDING RULES

2. Readings of Resolutions (approved at University Senate meeting on 02/21/12 - [Minutes](#), p. 8)

First Readings:

- are placed on the floor by a member of the committee with a motion and a second
- are intended to provide feedback and advice to the committee; no amendments are made during a First Reading

Except for resolutions on changes to the Senate Constitution or Senate Bylaws, a Second Reading may be waived by ~~2/3~~ two-thirds vote of the senate. A member of the senate needs to make a motion to waive the ~~2nd reading~~ second reading. If the second reading is waived, then the Senate proceeds as if it is a second reading, i.e. (e.g., amendments may be made, etc.)

Second Readings:

- Second Readings are considered 'on the floor' already, no motion/second is required
- Amendments may be made on the ~~2nd~~ second reading; however, l prior discussions should not be re-visited.

Debate is limited to ~~three~~ 3 pro and ~~3~~ three con arguments, unless a motion is made to extend debate. Motion to extend debate must pass by ~~2/3~~ two-thirds vote of the senate. Questions for the purpose of clarification are not counted.
