

HUMBOLDT STATE UNIVERSITY  
ACADEMIC SENATE

**Resolution on Service Learning (SL) Designated Courses Policy**

Resolution #06-10/11-APC – October 19, 2010

FIRST READING

**RESOLVED:** That the Academic Senate of Humboldt State University recommends to the President the adoption of the attached policy – “Service Learning (SL) Designated Courses Policy” – for designating Service Learning courses in the HSU Catalog.

**RATIONALE:** Currently HSU is out of compliance with CSU policies related to Service Learning. In response to a recent CSU audit, a number of steps must be taken with alacrity to ensure that MOU’s with community partners and risk management procedures are in place prior to having students engage in any form of off-campus service learning. These are required by CSU policy and the attached HSU Policy is intended to satisfy these requirements while aligning the process with the HSU curriculum review system.
