

Written reports submitted for Senate Meeting on October 19, 2010

Senate Chair's Report (VerLinden):

- The President accepted the Senate Resolution on Internships.
- The Senate Executive Committee decided that the Senate will meet every Tuesday for the time being because there is too much Senate business to accomplish in the meetings every second week. We hope that this will be temporary.

Academic Policy Committee Report (Van Duzer):

1. The APC is currently working on a Faculty Drop Policy providing a mechanism for faculty to drop students who do not attend the first week's classes. We are exploring implementation options that would provide an efficient method of facilitating the required process.
2. We will be bringing a revised Area C & D list that subdivides the current courses into subcategories as required by EO 1033. Students will be required to take courses in more than one subgroup within each area in order to ensure greater breadth.
3. We have begun work on clarifying the rules regarding Academic Disqualification.
