#22-11/12-APC – March 27, 2012 – Second Reading

RESOLVED: That the University Senate of Humboldt State University recommends to the President that the attached *Policy on Academic Internships*, dated 14 February 2012, be adopted and implemented the following semester, and be it further

RESOLVED: That the University Senate of Humboldt State University recommends to the President that the attached *Policy on Academic Internships*, dated 14 February 2012, when it is implemented, replace the existing *Internship Policy*, dated 14 September 2010.

RATIONALE: *HSU's current Internship Policy, dated 14 September 2010. A new *Executive Order 1064, dated 9 September 2011, requires that HSU develop a new internship policy to stay in compliance with CSU policy and procedures. This new policy for HSU dated 14 February 2012 was developed to address EO 1064.*

This new policy is also simpler and more flexible than the existing policy, dated 14 September 2010, which was more restrictive and placed more burdens on faculty arranging internships.

This policy has been vetted by the Integrated Curriculum Committee.
